## Art Basel Miami Beach

The granddaddy of all art fairs returns for its ninth (eighth if you don't count the abbreviated 2001 version) go-round on the Beach. ABMB doesn't need to change much to hold interest; it's the only fair that rivals any major museum in quality and depth (and yet everything's for sale!), but expect some noteworthy additions to the list of 270 exhibitors, as well as installations by Pae White and sculptures by Agathe Snow in the expanded Art Positions section.
